A PROPENSITY TO TRAVEL: AN EXCELLENT VIRTUE

With different lifestyles come different ways of travelling: Maserati Genuine Accessories will add to the Ghibli models to make them suited to the habits of their owners, and making them even more comfortable and versatile.

LUGGAGE COMPARTMENT MAT

The Luggage Compartment Mat, made of washable and highly resistant, waterproof material, stylish, practical and protects the luggage compartment floor. This solution will allow you to make the most of the vehicle load capacity, without damaging the interiors.

The mat perfectly fits to the shape of the luggage compartment and is finished to a high standard with Maserati branding and elements which reflect the elegance and sporty style of the car.

LUGGAGE NET

The special accessories designed for the Maserati Ghibli range include a practical Luggage Net, which securely fastens any objects in the luggage compartment, preventing undesired movements during the journey.

Its double-layer structure will allow you to store and hold even small and thin objects. The net is secured by means of the four hooks at the corners of the luggage compartment floor.

IPAD HOLDER

Travelling in the Ghibli also means spoiling yourself: the iPad Holder further adds to the comfort of passengers travelling in the rear seat, allowing them to fully use their device in total relaxation. Thanks to the mounting bracket which can be easily fitted to the front seat headrest, the iPad Holder is simple and quick to fit and remove.

The iPad Holder, which comes in sturdy case and can be adjusted to different positions, makes reading, watching a film or using online means of communication easier. The kit comes with a 12V car charger for use on long journeys.

The iPad is not included and additional or separate equipment is required to connect online via Wifi or cellular provider. Additional charges may also apply.

BATTERY CHARGER & CONDITIONER

A compact and simple-to-use device, the Ghibli Battery Charger and Conditioner keeps the charge level of your car battery in optimal condition between 95% and 100% and, when required, charges it. The device does not need to be programmed: just connect the car battery to a standard power socket.

JUMPER CABLES

Jumper Cables are an excellent way of always travelling with complete peace of mind. It is an indispensable accessory which comes in a practical case branded with the Maserati logo and shaped to comfortably fit into the luggage compartment.

GENUINE MASERATI TIRES

WINTER TIRES

The tread depth, special compounds and structure of the Maserati Winter Tires enhance the Ghibli's performance, optimising road grip and stability on icy and wet road surfaces.

| 21" | 245/35R21 96W XL 285/30R21 100W XL |

SUMMER TIRES

The Summer Tires specially designed for Ghibli models have been conceived to meet the needs of a high-performing vehicle and provide a unique and safe driving experience. The special Ghibli tires are identified by the "MGT" (Maserati Genuine Tires)

Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles can cause serious damage to wheels, tires, and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.

marking, which stands for best comfort, safety and long-life on dry as well as wet road surfaces. The "MGT" marking is positioned on the tire shoulder, as shown in the figure.

SKI & SNOWBOARD BAG

The Maserati Ski & Snowboard Bag allows the load capacity of the Ghibli to be fully utilized, since three pairs of skis, or two pairs of skis and a snowboard, or two pairs of snowboard may be easily and safely carried. The bag, which can be extended by 30cm based on the user needs, is loaded through the luggage compartment and rests on the back of the rear seats, folded down for the purpose.

The rear of the bag must be secured with the hook found in the luggage compartment, while its front part must be secured on the back of the rear seat by means of a sturdy strap.

Made from black resistant nylon, the carrier is finished with the Maserati logo printed in matching tones and the "Maserati" name written in contrasting grey.

BRANDED FLOOR MATS

The Branded Floor Mats, tailor-made for the Ghibli, make the most of the car interior.

Available in a variety of colours to complement the leather upholstery, the mats are trimmed with an eco-leather edging in a matching tone. The driver's mat is further enhanced with a side insert where the car logo is finely embroidered.

Special anchorage points keep the mats in place and make them easy to fit.

The kit includes two front and two rear mats.

Colours available:

Nero

Marrone

Sabbia

EXPERIENCE SAFETY

Knowing that an unexpected situation may be dealt with easily and quickly will allow you to feel relaxed during your journey: the safety accessories specially conceived for the Ghibli perfectly combine with

the elegance of the vehicle and includes items that will help you handle most situations encountered on the road.

SECURITY STUD BOLT KIT

The special Security Stud Bolts, specifically manufactured for the Ghibli, allow the wheel rims to be fitted and removed only using the special wrench provided in the kit, therefore preventing the risk of theft.

The stud head features a special design that combines an appealing look with the greatest functionality.

EMERGENCY KIT

The Emergency Kit will help you to deal with any unexpected situations during your trip.

It comes in a smart case that fits perfectly into the niche on the left side of the luggage compartment.

The kit consists of the following items:

- *Emergency Triangle*
- *Reflective Vest*
- *Lightsticks*
- *Wind-up Torch*
- *First-aid Kit*
- *Gloves*
- *Ice Scraper*

The items in the kit may vary from country to country.

EMERGENCY TRIANGLE

The Emergency Triangle, which is mandatory in some countries, comes in a practical and smart Maserati-branded case.

FIRST-AID KIT

The First-aid Kit comes in a practical case containing items necessary for first aid.

WINDSCREEN WATER REPELLENT TREATMENT

WITHOUT TREATMENT

WITH TREATMENT

The key to safe driving is excellent visibility: the special Windscreen Water Repellent Treatment is the ideal solution for keeping your windscreen in perfect condition, even during the difficult winter months. Once applied, the product leaves the windscreen perfectly smooth, allowing water to slide off and clean the glass of troublesome residues. The treatment will also allow you to quickly remove dirt and ice.

SNOW CHAINS

Conceived to provide optimal traction on snow and ice-covered roads, the “Spider” type Snow Chains for the Maserati Ghibli are the optimal solution in terms of performance and functionality. They are easy to fit and will prevent risks of damaging the wheel rims.

Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles can cause serious damage to wheels, tires, and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.

TIMELESS BEAUTY

The Ghibli is not afraid of time, since its shapely lines will be unaffected by fleeting trends. To preserve the charm of this gem unaltered over the years, you just need to follow a few simple rules.

INDOOR CAR COVER

The Indoor Car Cover, specially designed for the Ghibli, highlights the elegant shapes of the car body, enveloping it like a protective glove.

Tailor-made using a high-quality anti-laddering fabric in Maserati blue colour, the cover is enriched with light-grey piping and special details picking-up on the

car's look, such as the front grille and the three side air vents. The "Ghibli" and "Maserati" logos personalize the windscreen and boot area.

OUTDOOR CAR COVER

The Outdoor Car Cover provides real protection to the Ghibli from dust, scratches and the effects of the weather. The use of high-performance fabric makes the cover waterproof, breathable and stretchable: thus eliminating the wind effects, giving a perfect fit under any condition.

The light-grey cover is branded with Maserati blue printing: the characteristic radiator grille with the Trident in the centre, the “Ghibli” logo on the windscreen, the “Maserati” name written on the boot, and the three air vents on the sides.

CAR CARE KIT

The high-quality materials that make up the Ghibli, from the interiors to the smart exterior details, require specific products to protect them in the best possible way. The Car Care Kit comes in a smart and practical transparent case with leather details. All products are tested and approved by Maserati's laboratories and are part of the "Kyoto Friendly" line, providing

a perfect balance between quality and respect for the environment.

The kit consists of the following products:

- *Car Shampoo*
- *Insect Remover*
- *Tire Black*
- *Wheel Rim Treatment*
- *Window Cleaner*
- *Plastic Cleaner*
- *Leather Cleaner and Reviver*
- *Delicate Fabric Cleaner*

BRANDED VALVE CAPS

A combination of strength and elegance, the splendid Ghibli wheel rims mix tradition and fashion with the Trident logo on the spokes.

A unique design, where even the finest details are brought

out thanks to the lightweight, rustproof stem covers which are resistant to all weather conditions.

The Trident logo embossed on the cap enhances the sporty line of the vehicle.
